Academy for Community Leadership

The Academy for Community Leadership has received funding from ESF Objective One, Yorkshire Forward and the Learning and Skills Council to provide a demand led training brokerage service across South Yorkshire.

The aim of the Academy is to increase people's ability to take a leading role in regenerating their communities and in influencing change.

The Academy's core curriculum focuses on leadership, governance and management skills in the broadest sense, skills which enable local people to have an impact on the long term sustainability of their communities.

Learning Programmes include:

- Governance, Leadership & Management
- Community Leadership & the Creative Arts
- Community Leadership & the Environment
- The Community Partnership Programme
- Active Citizenship
- Sustainable Communities
- Women into Community Leadership
- Learning Champions
- Learners to Leaders
- The Bursary Programme
- Housing & Physical Regeneration
- Double Devolution
